

Koi Grower

High Performance Diet for Koi & Goldfish

Product Description

Zeigler® Koi Grower is a high performance diet designed to meet the demanding needs of growing fish during earlier stages of development. The diet contains spirulina and other natural marine ingredients to enhance the vibrant colors of your fish. Stable vitamin C and brewers yeast are included to help improve immune function and promote healthy tissue development. Higher levels of marine protein sources are incorporated to maximize palatability, digestibility, and growth. **Koi Grower** is also supplemented with **Vpak™**, an all-natural additive, to help increase resistance to diseases. As with all Zeigler diets, **Koi Grower** is manufactured according to ISO-9001 guidelines.

Features & Benefits

- ✓ Provides higher nutrient densities for growing fish in early developmental stages
- ✓ Fortified with Spirulina and other natural marine ingredients to enhance coloration
- ✓ Contains stable Vitamin C & Brewers Yeast to promote healthy fin, gill, & tissue development
- ✓ Formulated for high palatability and digestibility to minimize excreted waste
- ✓ Now contains **Vpak™ (Vitality Pak)** an all-natural, nutritional feed supplement, designed to improve overall fish health and resistance to disease
- ✓ Excellent floatability and water stability...does not cloud the water
- ✓ Nitrogen preserved to improve shelf-life and freshness

Product Application

Feed as the sole diet 1 to 3 times daily. No supplementation is necessary for healthy fish. Feed freely; only as much as the fish will consume in 5 minutes of feeding.

Product Specifications

Particle Size: 3.0 mm floating pellet
Packaging: 20 oz. canister; 5 lb. pouch; 33 lb. 3-ply paper bag
Storage: To maximize shelf-life and maintain nutritive value, keep stored in a closed container in a cool, dry place away from sunlight.

Guaranteed Analysis

Protein	Minimum	42.0%
Fat	Minimum	6.0%
Fiber	Maximum	3.0%
Moisture	Maximum	11.0%
Ascorbic Acid (Vit. C) Minimum		210mg/kg
